

INTERNATIONAL OFFENSIVE TO FREE MUMIA AND ALL POLITICAL PRISONERS

PACK THE PHILADELPHIA COURTHOUSE THURSDAY, AUGUST 30

URGENT: "In its failure to recognize that Ronald Castille played an active role in pursuing the execution of Mumia Abu-Jamal, the new District Attorney's office, headed by Larry Krasner, is failing to do what justice requires. It is continuing the position of his predecessors, to the satisfaction of the Fraternal Order of Police."

— Bret Grote, Esq.,
Abolitionist Law Center Legal Director
